

FOCUS on Teignmouth

Richard Younger-Ross. A record of achievement. A promise of more to come.

Dear friend,

It has been an honour to be the County Councillor for Teignmouth for the last four years, it has not always been easy with cuts to services and an unresponsive Conservative leadership but we have made some progress.

I played a leading role in the the Lib Dem led campaign at County Hall against cuts to school crossing patrols, that forced a Tory U-turn.

I had to fight hard to keep the money for the Fish Quay which was at real risk in 2014, but my interventions with the fisherman and at County Hall enabled the scheme to proceed.

My knowledge of road construction from my architectural days has helped me secure proper repairs to the roads in the town centre and not just another quick fix.

I have also played my part in helping the Lib Dem fight back, improving our vote in the PCC election, helping in District and Town Council elections, forever fundraising, recruiting and motivating. The fight goes on and we are making progress.

There is much more to do for our town and the Party, please select me to be our county council candidate again for 2017.

Yours Richard

The next four years are a real opportunity for the Liberal Democrats to put forward a popular and progressive agenda. This fightback starts here in the Lib Dem heartland, in every town and every parish and at every election.

My local support is clear. I had 50% more votes than the Tory in the Teignbridge area in the Police and Crime Commissioner election.

I want to turn that support to another Lb Dem victory in the County Council elections next year. Please support me to be your candidate. Please help us fight back.

The PCC result in 2016 in Teignbridge.
